

1 Write the correct prewriting steps to label the texts.

Outline your essay Choose a topic Make a list of ideas

1 _____

Online shopping behavior

- I have noticed that more and more people are shopping online.
- I wonder if people behave differently when they shop online instead of in a store.

2 _____

What people look for when shopping online:

- making purchases quickly
- reviews from other shoppers
- lower prices than in store

3 _____

Thesis statement: Some experts say that people behave differently when they shop online than when they shop in stores.

Body paragraph 1: shopping online is often faster

Body paragraph 2: prices are lower online

Body paragraph 3: shoppers can see other people's opinions online

Conclusion: In the future, more people will shop online because it is faster, cheaper, and more interactive than shopping in a store.
