DESCRIBING A HOUSE OR FLAT

3. Match the descriptions and photos

I live in a cottage in the country. It's old and made of stone, and the rooms have very low ceilings. There's an open fire in the living room and it's very cosy in the winter.

I live in a modern flat in the city centre. It's spacious and very light, with wooden floors and big windows.

4. Listen and check. Focus on how the highlighted phrases are pronounced.

***chimney* or *fireplace*?**
In English *chimney* only refers to the structure on the roof of the house. *Fireplace* is the place where you burn wood or coal. For some nationalities *chimney* is a 'false friend'.

***roof* or *ceiling*?**
Roof is the top part of a house. *Ceiling* is the top part of a room.
