

SONG

Jackson 5 - A, B, C

You went to school to learn, girl
Things you never knew before
Like _____ before _____, except after _____?
And why _____ plus _____ makes _____

Now, now, now
I'm gonna teach you
All about love girl
Sit yourself down, take a seat
All you gotta do is repeat after me

CHORUS

_____ - _____ - _____
Easy as
_____, _____, _____
As simple as
Do-re-mi, _____ - _____ - _____, _____, _____
Baby, you and me, girl (repeat 2X)

Come on and love me just a little bit
I'm gonna teach you how to sing it out
Come on, come on, come on
Let me show you what it's all about

Reading, writing, arithmetic
Are the branches of the learning tree
But without the roots of love everyday, girl
Your education ain't complete

Teachers gonna show you
How to get an _____?
How to spell me and you?
Add the _____
Listen to me, baby, that's all you got to do

CHORUS

Singing simple melodies
_____, _____, _____, you and me

Sit down, girl
I think I love ya
No, get up, girl
Show me what you can do

Shake it, shake it, baby, come on now
Shake it, shake it, baby, oh, oh
Shake it, shake it, baby, yeah

_____, _____, _____, baby, oh, oh
_____ - _____ - _____, baby, ah, ah
Do-re-mi, baby, wow
That's how easy love can be

_____ - _____ - _____
It's easy, it's like counting up to _____
Singing simple melodies
That's how easy love can be
Come on and love me just a little bit
I'm gonna teach you how to sing it out (repeat 3X)
