My <sup>a</sup>first thought was to go with the blue. But then I thought <sup>b</sup>long and hard and <sup>c</sup>changed my mind. Maybe the red was better. But had I made <sup>d</sup>the right decision? Had I? I <sup>e</sup>reconsidered my choice. Red or blue? Red or blue? Why was it so difficult to <sup>f</sup>make up my mind? Well, I didn't want to make <sup>g</sup>a bad decision, did I? So I called my sister. Maybe she could help me <sup>h</sup>come to a decision.

'Yes, what is it?' she asked.

'Red or blue?' I asked.

'I don't know why you're asking me,' she said. 'You only ever wear blue.'
