You will soon be able to create anything you want from thin air. All you will need is some (1) ____ and the (2) ____ 3Doodler. It is the world's first 3D printing pen. The device looks like a thick (3) ____ .	CREATE MAGIC MARK
The (4) ____ can create whatever he or she wants until of course, the plastic ink is spent. The (5) ____ say that most people will be able to create 2D objects on paper very quickly. Not a natural born (6) ____ ?	USE INVENT ART
No (7) ____ . The company is planning to add special kits. All the (8) ____ has to do is print them, and then use the pen to turn it into a standing 3D object. Of course, school projects are not the only use for this (9) ____ pen. They can be used to create glass art, make jewelry and the list goes on and on restricted only, by your (10) ____ . And, if your 3D (11) ____ falls apart, the amazing 3Doodler can even be used to 'glue' it back together.	WORRY USE AMAZE IMAGINE CREATE
