

"Rather Be" (feat. Jess Glynne)

Read the words in the table. Listen to the song and write the number in the table next to the word.

We're a (1) **example** miles from comfort,
we have travelled (2) _____ and sea
But as (3) _____ as you are with me,
there's no place I'd (4) _____ be
I would (5) _____ forever, exalted in the scene
As long as I am with you, my (6) _____ continues to beat

With every step we take, (7) _____ to The Bay
Strolling so (8) _____
We're (9) _____ and the same,
get you another (10) _____
Switch up the (11) _____

[Chorus:]

*If you gave me a chance I would take it
It's a shot in the dark but I'll make it
Know with all of your heart, you can't shake me
When I am with you, there's no place I'd rather be
N-n-n-no, no, no, no place I'd rather be [x3]*

We staked out on a (12) _____
to find our inner (13) _____
Make it everlasting so nothing's (14) _____
It's easy being with you, sacred (15) _____
As long as we're (16) _____,
there's no place I'd rather be

[Pre-Chorus]

[Chorus]

When I am with you, there's no place I'd rather be, yeah
