

Fill in **am / is / are / was / were**.

Hello! My name is Sally. I am twelve. I am from Belarus. I've got a mum, a dad and two brothers. My mum is a shop-assistant. My dad is a driver. My brothers are two and five. They are naughty.

In the summer my brothers and I are in the country. It is warm and sunny. My granny's kittens are funny but the cat is angry.
