

“WHEN” & “WHILE”

1.WHEN (...dışında, ...dığı zaman)

- **When+Simple Past, Simple Past**

“**When**” geçmişte arka arkaya yapılmış eylemleri anlatmak için de kullanılır. Bu durumda her iki cümlelerin de Tensi **Simple Past Tense**’tir.

-**When** he arrived,we went into the theatre.
(O gelince,tiyatroya girdik.)

- I took a photograph **when** you were asleep.
(Sen uyurken, bir fotoğraf çektim.)

-I sang **when** I washed the dishes.
(Bulaşıkları yıkarken şarkı söyledim.)

-I waited outside **when** she had an interview.
(O görüşme yaparken ben dışarıda bekledim)

2. WHILE (...dışında, ...dığı zaman)

While+Past Continuous, Past Continuous

- “**While**” birbirine paralel devam eden iki eylemi anlatmak için de kullanılır. Bu durumda her iki cümlede de **Past Continuous Tense** kullanılır.

- **While**’ın bu şekilde kullanılmasıyla genellikle yakınma, içerenme gibi duygular ifade edilir.

-**While** the singer was singing, the audiences were chatting among themselves.
(Şarkıcı şarkı söylediğinde, dinleyiciler kendi aralarında sohbet ediyorlardı.)

-**While** he was driving, the baby was crying.
(O araba kullanırken, bebek ağlıyordu.)

-I was eating hamburger **while** my father was calling me.
(Babam beni aradığında,ben hamburger yiyiyordum .)

Kısaca **when while farkı** hakkında bilgi vermek istersek, aşağıdaki gibi özetleyebiliriz;

Eğer eylem o anda devam eden bir eylem ise **while**,

Eğer eylem tek seferlik ve devam etmiyor ise **when** bağlaçları kullanılır.
