

Chu-chuu!!! Hey friends, join me
to fill in the missing numbers
below.

BEFORE, BETWEEN & AFTER MATH.

Before

A red train engine with a blue smokestack and a green roof is pulling three cars. The first car is blue with a red roof and an empty cloud above it. The second car is green with a blue roof and a cloud containing the number 25. The third car is red with a green roof and a cloud containing the number 26. To the right of the train, three blue arrows point towards a vertical column of three clouds containing the numbers 19, 20, and 24.

A red train engine with a blue smokestack and a green roof is pulling three cars. The first car is blue with a red roof and an empty cloud above it. The second car is green with a blue roof and a cloud containing the number 30. The third car is red with a green roof and a cloud containing the number 31. To the right of the train, three blue arrows point towards a vertical column of three clouds containing the numbers 29, 40, and 19.

A red train engine with a blue smokestack and a green roof is pulling three cars. The first car is blue with a red roof and an empty cloud above it. The second car is green with a blue roof and a cloud containing the number 6. The third car is red with a green roof and a cloud containing the number 7. To the right of the train, three blue arrows point towards a vertical column of three clouds containing the numbers 10, 5, and 7.
