But I ain't done much healing

There's such a difference between us
And a million miles

_____from the other side
I must have called a thousand times
To tell you I'm _____for everything that I've done
But when I call you never seem to be home
Hello from the outside
At least I can say that I've tried
To tell you I'm _____for breaking your heart
But it don't matter, it clearly doesn't tear you apart
Anymore

_____, _____?

I hope that _____

Hopped into a cab, take me anywhere
_____ in if _____down to get down tonight
'Cause it's always a good time
