B

C

B- READING

2-Read each description and match it with the correct picture.

A

It's got long legs, small ears and big eyes.
It's shy and lives in forests.

B

It's got soft, black fur. It's fierce.
It runs very fast.

C

It's got arms and legs and a tail, and it climbs trees

D

It's big with brown fur and horns

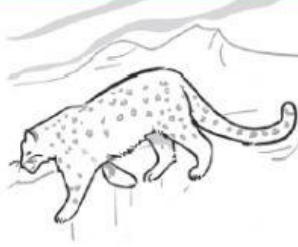

E

It's very big and very fierce, and it lives near rivers.

3- Read and choose the right animal.

Hippo: It's smaller than the elephant and the white rhino. It lives mainly in Africa. It's got short legs and only four toes on each foot. It eats grass and it's got a loud roar. It's big, but it's a good swimmer!

Snow leopard: Lions and tigers are bigger, but the snow leopard has got a longer and thicker tail. It lives in India and many other countries in Asia. It doesn't roar. Snow leopards are endangered.

Baboon: It's more intelligent than hippos and snow leopards. Baboons live in many places. They only need water and tall trees to sleep on. They eat different things, like fruit, leaves, roots, insects, fish, etc. They can make more than 30 different sounds.

1- It has got a long, thick tail.

2-It doesn't live in many places.

3-It likes many kinds of food.

4-It's more intelligent than the other animals

5-It's louder than the other animals.
