7 Read the text and complete the sentences.

Ravi lives in Delhi in India. He lives with his parents, his two brothers and his sister in a flat on the ninth floor of a high-rise building. Many Indians live in flats.

In Delhi, the summer begins in April and finishes in October. The summers are hot and humid. There isn't any air-conditioning in Ravi's flat and his flat is very hot. It rains during the Monsoon season from November to March.

There are four official languages in Delhi: English, Hindi, Urdu and Punjabi. Ravi speaks English and Hindi at school, and Punjabi at home.

His favourite food is vegetable curry and rice. Ravi and his family don't eat with a knife and fork, they eat with their fingers.

His favourite sports are football and cricket.

- 1 Ravi is from India and he lives in Delhi.
- 2 He lives with his _____, his two _____ and his sister.
- 3 He lives on the ninth floor of a _____.
- 4 In Delhi, summer finishes in _____.
- 5 Ravi's house is _____ because there isn't any air-conditioning.
- 6 There are four official _____ in Delhi.
- 7 Ravi speaks _____ at home.
- 8 Ravi's favourite food is _____ and rice.

His favourite sports are football and

_____.

8 Write a short text about you and your country. Use the text in Activity 7 as a model.

I live in _____
