

SCHOOL: EEST N°1 "Scalabrini Ortiz"

**"NATURAL DISASTERS AND THEIR CONSEQUENCES"**

**A) Complete the text "The Angel of the Beach" with the correct past form of the verbs**

On 26<sup>th</sup> December 2004, a 10-year-old British schoolgirl, Tilly Smith, (spend) her holiday with her family in a hotel in Phuket, Thailand.

The family (play) on the beach when the sea rapidly (move) back. Tilly (know) it was the first sign of a tsunami. "I (look) at the sea and the water (look) very strange. There (be) lots of bubbles and the tide (go out) very quickly. I (understand) what (happen). "Tilly (run) to her mother and (explain) it was possibly a tsunami. Mother and daughter ran and (tell) the hotel manager. He (react) quickly and (evacuate) the area, minutes before the tsunami (arrive).

But how did a 10-year-old British schoolgirl know a tsunami was coming? Before Christmas, in her Geography class, Tilly (see) a video of a tsunami in Hawaii in 1946. She (remember) the images.

On that sunny, December day the tsunami (destroy) hotels, shops, schools, hospitals and homes, and (kill) thousands of people. But Tilly (save) her family and hundreds of tourists and local people.

"She is a hero. She saved our lives because she is a good student and remembered her Geography class, (say) the hotel manager. Mr Kearney, Tilly's Geography teacher, (describe) her as a brave girl. The local people call her "The Angel of the Beach".
