

## •Types of jobs

### Types of jobs

- **Full-time job** (employees work usually around 40 hours a week)
- **Part-time job** (when employees work 20 hours a week)
- **Overtime** (when you work longer than you should and you get more money)
- **Permanent job** (The contract has no finish date)
- **Temporary Job** (is working for a short period, the contract has a finish date)
- **A contract** (an agreement about how long you work, when you work and how much you earn...)
- **Employees** (people who work for a company)

### Types of work

- **Temporary work**
- **Permanent work**

### Job vocabulary

**Salary:** the money you receive at the end of the month for working.

**Wage:** is the money you receive every week if you work and get paid per week.

**Retire:** you stop working because of your age, usually at 65.

**Pension:** is a payment for people who retire.

**Resign:** if you leave a company, for example to work for another company. You tell the company that you are leaving.

**Make redundant:** if there isn't any more work for the employee to do or, or if we don't need them anymore, or if there are financial problems in a company.

**Dismiss or fire:** if someone has done something wrong we ask the person to leave the company.

**Bonus:** is a value of money you can receive extra when for example the company's sales go up.

**Rise:** when your salary goes up normally after a certain period of time and with good work done.
