

COUNTING STARS

Lately I've been, I've been _____ sleep
Dreaming about the things that we _____

But baby I been, I _____ ' hard

Said no more counting dollars

We _____ stars

Yeah, we'll be counting stars

I _____ this life, Like a swinging vine

Swing my heart across the line

In my faces _____ signs

Seek it out and ye shall find

Old, but I'm not that cold old

Young, but I'm not that told bold

And I don't think the world is old sold

I'm just doing what we're bold told

I, feel something so night right

Doing the wrong thing mean

I, feel something so long wrong

But doing the right night thing

I could lie, could lie, could lie

Everything that kills me makes me felt feel alive

I feel the love mode And I feel it burn turn

Down this river rider every turn

Hope is a four letter word

Make that money match Watch it burn
