### WORKING TOWARDS A DREAM

Most of us have fantasised about meeting our favourite actor, and I'm no different. Although I'm still in high school, I often dream of making films in New York City alongside one of Hollywood's superstars. I also have a **1**\_\_\_\_\_ for being quite ambitious and I guess that's one of the reasons why I joined the school's drama club. The drama club taught me a great deal about theatrical productions and has also **2**\_\_\_\_\_ wonders for my acting skills. Our school has a long tradition in drama and theatrical performances. In fact, our drama club works together with professional theatre companies that **3**\_\_\_\_\_ workshops for our drama students. Last year, our school staged *Oliver Twist* and I was Nancy. Performing in front of a live audience is one of the most intense feelings I have **4**\_\_\_\_\_ experienced in my life. This year our annual school production will be *Romeo and Juliet* and I will play the **5**\_\_\_\_\_ of Juliet!

Performing Shakespeare is not easy, especially *Romeo and Juliet* which is **6**\_\_\_\_\_ in Italy in the 1500s. Nevertheless, we are all extremely excited as we know that the **7**\_\_\_\_\_ will be packed with people! I don't expect to become a star overnight, of course, but I do hope we keep the audience entertained and amused!
