

|                |                   |
|----------------|-------------------|
|                |                   |
| There's a cow  | There are donkeys |
|                |                   |
| There are pigs | There's a sheep   |
