

# Listening

Which subjects do Tom and his friends like? Listen and write the correct letter in the box. There is one extra picture.

Tom

Beth

Paul

Anna

David

Now, read the clues and write sentences about the school subjects these people like and why. Use the connector "because" to join the two ideas.

Example:

Tom **because** (learn) about different countries

Tom likes **Geography** **because** he likes **learning** about different countries.

Sam (do) experiments

Sam science he likes experiments.

My cousin Brian (play) the piano.

Jane (learn) about important facts from the past.
