

MAN ON THE MOON

LISTEN TO THE STORY AGAIN

BOB'S DAY. DRAG AND DROP:

He reaches Earth.

He has two sandwiches, an apple and some chocolate covered nuts.

He arrives at the launch – pad, changes into his space suit and boards the rocket ship.

He wakes up and has a cup of tea and two eggs for breakfast.

Bob checks that everyone has left, packs away his equipment and switches on the Moon's nightlight.

He leaves for the moon.

He arrives at the Moon and starts working.

WHAT DOES BOB DO AT?
