

TYPICAL PERUVIAN FOOD

1. Read and match the correct region for each text, then drag the typical food for each region.

THE COAST

THE JUNGLE

THE HIGHLANDS

Alpaca steak and potatoes, "cuy chactado" and "picante de carne" are the best of the region.

"Ceviche" and "Tiradito" are the favorite among tourists. "Arroz con pato" and "Chupe de camarones" are the most popular main courses.

The jungle or the rainforest is where the Amazon river flows. The typical foods are "Juane", "Tacacho" and "Chonta" salad. Have you eaten them?

2. Write 3 names of typical food for each region.

a. Highlands _____

b. Coast _____

c. Jungle _____
