Match the lyrics with the right singer:

Kings don’t need advice
From little hornbills for a start

I think it’s time that you and I
Arranged a heart-to-heart

If this is where the monarchy is headed
Count me out
Out of service, out of Africa
I wouldn’t hang about
This child is getting wildly out of wing

Oh, I just can’t wait to be King!

¹ “Gonna” is used in written English to represent the words “going to” when they are pronounced informally.

² **Can’t wait**: to be very excited about something and eager to do or experience it.

Choose the correct option:

Everybody / Anybody look **left / right**

Everybody / Anybody look **left / right**

Everywhere **they / you** look, I'm

Standing / Sitting in the spotlight

Let every creature go for **broke / stroke** and sing

Let's hear in the herd and on the **wing / sing**

It's gonna be King Simba's finest fling

Oh I just can't wait to be king!
