

# Lemon tree

Fools Garden

I'm sitting here in the boring house / room

It's just another rainy Sunday afternoon / evening

I'm wasting my time

I got nothing to eat / do

I'm hanging around, I'm waiting for a bus / you

But nothing ever happens and I wonder

I'm driving around in my truck / car

I'm driving too fast / slow

I'm driving too far

I'd like to change my point of view

I feel so lonely, I'm waiting for friends / you

But nothing ever happens and I wonder

I wonder how, I wonder why

Yesterday you told me

'bout the blue blue sea / sky

And all that I can see

is just a yellow / green lemon-tree

I'm turning my head up and down

I'm turning turning turning, turning turning around

And all that I can do / see

is just another lemon-tree

I'm sitting here / at home

I miss the power

I'd like to go out taking a bath / a shower

But there's a heavy cloud inside my head / room

I feel so tired, put myself into sofa / bed

While nothing ever happens and I wonder

Isolation is not good for me

Isolation I don't want to sit on the lemon-tree / apple-tree

I'm steppin' around in the desert of joy

Baby anyhow I'll get another bus / toy

And everything will happen and you wonder

I wonder how, I wonder why

Yesterday you told me

'bout the blue blue sky / sea

And all that I can see

is just a green / yellow lemon-tree

I'm turning my head up and down

I'm turning turning turning

turning turning around

And all that I can see / do

is just another lemon-tree

And I wonder, wonder...
