LISTEN TO THE SONG AND COMPLETE THE BLANKS

You've got a _____in me
You've got a _____ in me

LISTEN AND DRAG THE WORD TO THE CORRECT SPACE

friend	you	bed	bigger	pal	destiny	me
friend	years	folks	troubles	friendship	love	together

When the road looks rough ahead
And you're miles and miles
From your nice warm _____
You just remember what your old
_____said
Boy, you've got a _____ in me
Yeah, you've got a _____ in me

You've got a friend in me
You've got a friend in me
If you've got _____, I've got
'em too
There isn't anything I wouldn't do for you
We stick _____and can
see it through
'Cause you've got a friend in me
Yeah, you've got a friend in me

Some other _____ might be
A little bit smarter than I am
_____ and stronger too, maybe
But none of them will ever
_____ you
The way I do, it's _____and
_____, boy

And as the _____ go by
Our _____ will never die
You're gonna see it's our
_____

You've got a friend in me
You've got a friend in me
Yeah, you've got a friend in me
