

Freedom by Beyonce

Tryna rain, tryna rain on the _____
Tell the _____ I'm new
I'm a wall, come and _____ on the regular
Painting white _____ blue

Lord forgive me,	I'm new
Running blind	I've been running
I'ma rain,	I'ma rain on this bitter love
Tell the sweet	in truth

I'm telling these tears, go and *fall-far* away, *fall-far* away
May-might the last one burn into flames

CHORUS

'Cause a winner don't quit on themselves
I break chains all by myself
Singin', freedom, Freedom, Where are you?
Hey! I'm a keep running
'Cause I need freedom, too
Freedom, cut me loose,
Freedom, Freedom, I can't move
Won't let my freedom rot in hell

I'm a _____, I'm a _____ through the waters
_____ the _____, "Don't move"
I'm a riot, I'm a riot through your borders
_____ me bulletproof

Call Tell Wade wave tide

Lord forgive me,	I'm a wave through your shallow love
Runnin' blind	in truth
I'm a wade,	I'm new
Tell the deep	I've been runnin'

I'm telling these tears, go and *fall-far* away, *fall-far* away
May-might the last one burn into flames

CHORUS
