

EXAM PRACTISE

2. Reading comprehension: Tom writes an email to his cousin Sarah to tell her about his routine and his favourite things. Read the email and write True or False. Remember to correct the false ones:

FROM: Tom

TO: Sarah

SUBJECT: My routine and favourite things.

Dear Sarah,

How are you doing? I want to tell you about my routine. I go to England Elementary School. I have got lots of subjects. My favourite subject is Maths, but I don't like reading books. I love watching films, too. I always watch scary films and I often watch comedy films, but I never watch historical films.

Playing computer games is my favourite activity. My favourite games are difficult and modern. I always play realistic games but I never play old-fashioned ones because they are boring.

I love summer! In the summer, I go to the beach, I eat a lot of ice cream and I play tennis on the beach.

Right now, my dad is using his computer, my mother is sending emails and my brother is using the internet.

I miss you! Hope you visit us next holiday.
