Homeworker 77: I'm Mala. I live in a shared house with four other students and it's always messy. I share a kitchen and bathroom. **They**'re never clean because my housemates are very lazy. **They** never do any cleaning. My friends think the house is awful and **they** don't want to visit me. But **it**'s a cheap place to live and I like my housemates - **they**'re fun! My bedroom is different to the rest of the house. I work from home, so I keep everything tidy and organised in there. My desk's perfect - there's nothing on **it**! I only have one or two books on my desk when I'm working, but I put **them** in the cupboard with my laptop when I finish my work. I hate mess! Hmm, maybe I do need to move house!
