I'll never forget the holiday I had in 2012. It was in Spain. I stayed \_\_\_\_\_ my pen friend's, Gabriella, just outside Seville. At first, I was fed \_\_\_\_\_ because no one spoke English and I wasn't very good \_\_\_\_\_ speaking Spanish. After a \_\_\_\_\_, though, I remembered more words and could understand them. I started joining in the conversations and felt much happier. They showed me Seville and Granada and I bought a \_\_\_\_\_ of souvenirs and \_\_\_\_\_ many photos. \_\_\_\_\_ my last day, one of Gabriella's friends telephoned. She \_\_\_\_\_ having a party and invited us. When I got there, I started talking to a girl \_\_\_\_\_ Maria. We \_\_\_\_\_ on really well and she \_\_\_\_\_ me her address. I wrote to her when I got back to England and, a few days later, she wrote \_\_\_\_\_. I visited her again and, two years \_\_\_\_\_, we got married! Now I'm living \_\_\_\_\_ Spain and my Spanish \_\_\_\_\_ excellent!
