ABOUT A TRIP

BASIC

What was your holiday like?	My parents have a caravan and so we stayed at a nice campsite at the lake – with mountains around us.
Did you stay at a campsite or in a hotel?	Yes, there is a local speciality in Salzburg – it is a dessert and called "Salzburger Nockerl". Have you ever heard of it?
That sounds great! What did you do at the lake?	The weather was wonderful – hot and blue sky. It was just windy on one day.
So you had a lot of wind? What was the weather like?	We went swimming, played volleyball and football and I also tried out windsurfing. But there was a bit too much wind for a beginner!
Did you also go on a tour in the mountains?	My holiday was great! We stayed at a lake near Salzburg.
Did you also visit the city of Salzburg?	Yes, we made a tour with a guide. He was very friendly and we were happy to have an expert with us.
Awesome! Did you eat anything special in Salzburg?	Imagine – it must have fallen into my dad's wellies when we packed everything out.
No, I haven't. Did you like it?	Yes, we did. We went to some famous places in Salzburg. One interesting place was a castle. In the castle park there were trick fountains – so we were all totally wet when we got out! Haha!
Will you go there again next year? Did you like it?	Yes, this holiday was perfect! The weather, the food, the people, the programme – simply everything!
And where was the key?	Yes, it was really tasty. I hope my mum can bake that at home!
So you had a fantastic holiday!	Yes, definitely - in July. Everyone at the campsite was friendly and helpful. One day my dad lost his car key and everyone helped us to find it.
