What was your holiday like?
Did you stay at a campsite or in a hotel?
That sounds great! What did you do at the lake?
So you had a lot of wind? What was the weather like?
Did you also go on a tour in the mountains?
Did you also visit the city of Salzburg?
Awesome! Did you eat anything special in Salzburg?
No, I haven't. Did you like it?
Will you go there again next year? Did you like it?
And where was the key?
So you had a fantastic holiday!

My parents have a caravan and so we stayed at a nice campsite at the lake – with mountains around us.
Yes, there is a local speciality in Salzburg – it is a dessert and called "Salzburger Nockerl". Have you ever heard of it?
The weather was wonderful – hot and blue sky. It was just windy on one day.
We went swimming, played volleyball and football and I also tried out windsurfing. But there was a bit too much wind for a beginner!
My holiday was great! We stayed at a lake near Salzburg.
Yes, we made a tour with a guide. He was very friendly and we were happy to have an expert with us.
Imagine – it must have fallen into my dad's wellies when we packed everything out.
Yes, we did. We went to some famous places in Salzburg. One interesting place was a castle. In the castle park there were trick fountains – so we were all totally wet when we got out! Haha!
Yes, this holiday was perfect! The weather, the food, the people, the programme – simply everything!
Yes, it was really tasty. I hope my mum can bake that at home!
Yes, definitely - in July. Everyone at the campsite was friendly and helpful. One day my dad lost his car key and everyone helped us to find it.
