

Доповни або зменш числа до 10.

$4 + \dots$

$20 - \dots$

$9 + \dots$

$12 - \dots$

$3 + \dots$

$17 - \dots$

$8 + \dots$

$15 - \dots$

$5 + \dots$

$1 + \dots$

$11 - \dots$

$13 - \dots$

Зроби обчислення за схемами.

$$1) \overset{10}{\underset{\begin{array}{c} 1 + 1 \end{array}}{9}} + 2 = (9 + 1) + 1 = 10 + 1 = \dots$$

$$2) \overset{10}{\underset{\begin{array}{c} 2 + 1 \end{array}}{8}} + 3 = (8 + 2) + 1 = 10 + 1 = \dots$$

$$3) \overset{10}{\underset{\begin{array}{c} 5 + 1 \end{array}}{15}} - 6 = (15 - 5) - 1 = 10 - 1 = \dots$$

$$4) \overset{10}{\underset{\begin{array}{c} 1 + 5 \end{array}}{9}} + 6 = (9 + 1) + 5 = 10 + 5 = \dots$$

$$5) \overset{10}{\underset{\begin{array}{c} 2 + 2 \end{array}}{12}} - 4 = (12 - 2) - 2 = 10 - 2 = \dots$$

$$6) \underset{\begin{array}{c} \dots + \dots \end{array}}{6} + 5 = (\dots + \dots) + \dots = \dots + \dots = \dots$$
