My Office

Like most offices, my office is a place where I can concentrate on my work and feel comfortable at the same time. Of course, I have all the necessary equipment on my desk.

There is **telephone and fax machine** _____ the right side of my desk.

My computer is in the center of my desk with the **monitor** directly _____ me. There is a comfortable office chair to sit on. There is also a **shelf** with some folders _____ the fax machine.

There is a **cup of coffee** _____ the keyboard and some folders next to it. There are some posters _____ the wall to remember me of the projects we are in. In this office, there isn't a clock and a big window.

I like this room because it has everything I need to do my job.
