Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct word or phrase that best fits each of the numbered blanks from 25 to 29.

HERE ARE TIPS THAT HELP SUCCEED IN YOUR JOB INTERVIEW

Always arrive early. If you do not know (23) _____ the organization is located, call for exact directions (24) _____ advance. Leave some extra time for any traffic, packing, or unexpected events. If you are running late, call right away and let someone know. The best time to arrive is approximately 5 – 10 minutes early. Give yourself the time to read your resume one more time, to catch your breath, and to be ready for the interview. Once you are at the office, treat everyone you encounter with respect. Be (25) _____ to everyone as soon as you walk in the door.

Wear a professional business suit. This point should be emphasized enough. First (26) _____ are extremely important in the interview process. Women should (27) _____ wearing too much jewelry or make up. Men should avoid flashy suits or wearing too much perfume. It is also important that you feel comfortable. While a suit is the standard interview attire in a business environment, if you think it is an informal environment, call before and ask. Regardless, you can never be overdressed if you are wearing a tailored suit.

- A. Raising people's awareness of animal protection B. Policies of animal habitat protection
C. Saving endangered species D. Measures of endangered animals protection

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions from 35 to 42.

One of the most interesting authors of the twentieth century, J.R.R Tolkien, achieved fame through his highly inventive **trilogy**, The Lord of the Rings. Born in 1892, Tolkien received his education from Oxford and then served in World War I. After the war, he became a professor of Anglo -Saxon and English language and literature at Oxford University.

Although published in 1965, the three books that comprise the Lord of the Rings were written in intervals from 1936 to 1949. This was mainly due to Tolkien's responsibilities as a professor and the outbreak of World War II. By the late 1960s, this **fascinating** trilogy had become a sociological phenomenon as young people intently studied the mythology and legends created by Tolkien.

The trilogy is remarkable not only for its highly developed account of historical fiction but also its success as a modern heroic epic. The main plot describes the struggle between good and evil kingdom as they try to acquire a magic ring that has the power to rule the world. The novels, which are set in a time called Middle Earth, describe a detailed fantasy world. Established before humans populated the Earth, Middle Earth was inhabited by good and evil creatures such as hobbits, elves, monsters, wizards, and some humans. The characters and the setting of Middle Earth were modeled after mythological stories from Greece and Northern Europe.

Although readers have **scrutinized** the texts for inner meaning and have tried to connect the trilogy with Tolkien's real life experiences in England during World War II, he denied the connection. He claims that the story began in his years as an undergraduate student and grew out of his desire to create mythology and legends about elves and their language.

Tolkien was a masterful fantasy novelist who used his extensive knowledge of folklore to create a body of work that is still read and enjoyed throughout the world today

Question 35: What can we assume is NOT true about Middle Earth?

- A. Middle Earth was based on European folktales B. Middle Earth was a fictional world

- C. The good and evil kingdom fought for the power D. People dominated Middle Earth
