

Friday I am in love

The Cure

I don't care if Monday's green / blue
Tuesday's grey and Wednesday white / too
Thursday I don't care about you / it
It's Friday I'm in bed / love

Monday / Sunday you can fall apart
Tuesday, Wednesday break my arm / heart
Thursday doesn't even start
It's Monday / Friday I am in love

Wednesday / Saturday wait
And Sunday always comes too early / late
But Friday never / always hesitate...

I don't care if Monday's black / blue
Tuesday, Wednesday heart attack
Thursday never looking back / down
It's Friday I'm at home / in love

Monday you can hold your breath / head
Tuesday, Wednesday stay in bed / the garden
Or Thursday watch the films / walls instead
It's Tuesday / Friday I'm in love...
