

Habits

Read the answers and write the questions. Follow the example.

My name is Sally. I have five brothers and sisters: Herman, Francine, Benjamin, Alfred and Gloria. We all work in different places: a bar, a hamburger restaurant, a hotel, a gasoline station, a supermarket and a bookstore.

Example:

(Herman) *Does Herman work in the bar.*

No, he doesn't work in the bar. He's the hotel manager. Benjamin works in the bar.

1. (Benjamin) _____

Yes, he does the administration of the bar.

2. (Francine) _____

Yes, she works in the restaurant.

3. (Francine) _____

Yes, she cooks the hamburgers.

4. (Gloria) _____

No, she doesn't sell books. She sells fruit and vegetables in the supermarket.

5. (Alfred) _____

No, he doesn't work at the gas station. I do!

Now match the people and the working locations. Follow the example.
