# Crash Boom Bang

Roxette

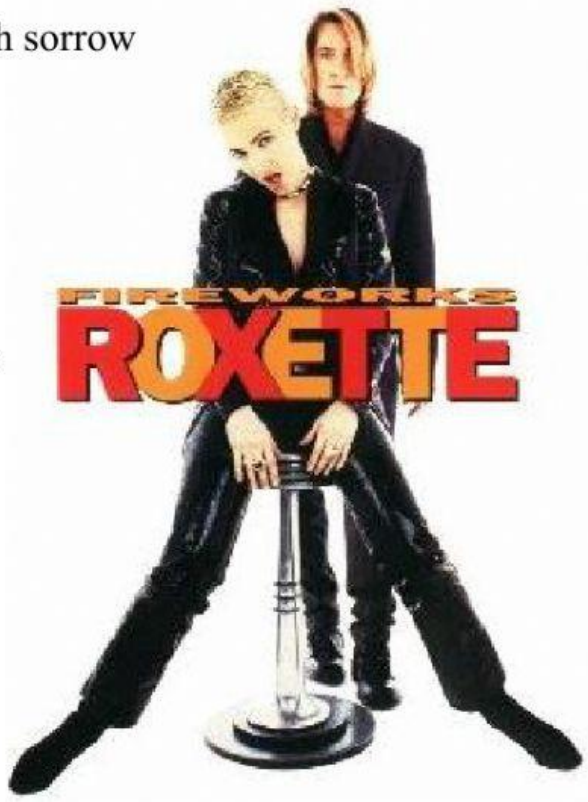
My Papa told me to stay out of trouble
"When you've found your boy / man,
make sure he's for sure / real!".
I've learned that nothing really lasts forever / for a long time
I sleep with the scars / stars I wear that won't heal
They won't heal.

Cos every time I seem to fall asleep / in love
Crash! Boom! Bang!
I find the heart but then I hit the wall / floor
Crash! Boom! Bang!
That's the call, that's the game / play and the pain stays the same.

I'm walking down this empty road to nowhere / mountains
I pass by the houses and blocks / streets I once knew.

My Mama told / called me not to mess with sorrow
But I always did, and Lord, I still do / feel
I'm still breaking the rules / law
I kick it up, I kick it down.

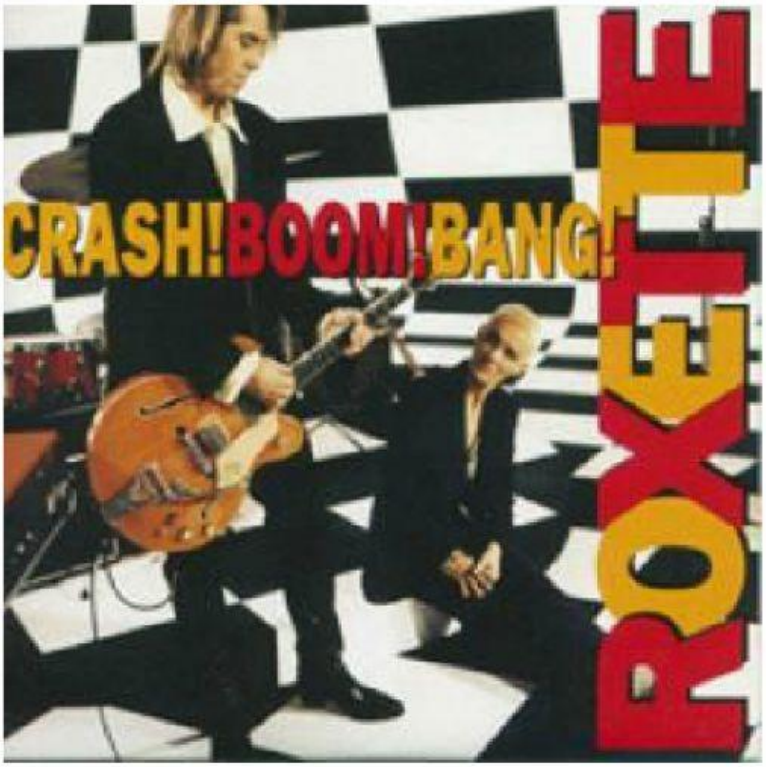
Cos every time I seem to fall in love / asleep
Crash! Boom! Bang!
I find the heart but then I hit the floor / wall
Crash! Boom! Bang!
That's my real middle-name
It has always / never been the same



That's the call, that's the play / game and the pain stays the same.

I still feel the heat / cold
And the taste of the kissing
Shattered by snow / rain
And the wild holy war.

I kick it up, I kick it down

And every time I seem to be / fall in love
Crash! Boom! Bang!
I find the roses dying on the table / floor
Crash! Boom! Bang!
That's the call, that's the play / game and the pain stays the same
That's my real middle-name / nickname
It has always been the same.


Oh Yea Oh Yea
It has always been the same
It has never / always been the same
