

# Never is a long time

Roxette

You build it up and teared it up / down,  
There's no reason to follow me / you.  
You left the song without a sound / text,  
You left the story I made for us / you.  
Softly angels bow and sing / cry  
In the stillness of the night / day.

Never is a long time, good morning / goodbye.  
No answers for the asking.  
It's a long time / day, goodbye.  
No mercy for the aching.  
It's a long day / time,  
Oh I see no light on the forsaken.  
Never is a great / long time, goodbye.  
Let's spend the week / night  
When this dream has come to an end.

Sometimes you laugh,  
Sometimes you cry / smile,  
And yes, I've cried over you.  
You left me blind in the town / paradise.  
You left me hungering for the touch of you.  
Snow white / cold angels run and hide  
In the blackness of the dark / night.

Never is a nice / long time, goodbye.

No answers for the asking.

It's a long time / year, goodbye.

No mercy for the aching.

It's a bad / long time,

Oh I see no light on the forsaken.

Never is a long time, goodbye.

Let's spend the night

When this dream has come to an end.

Never is a long time

Never is a long time

Never is a long time
