

Zombie

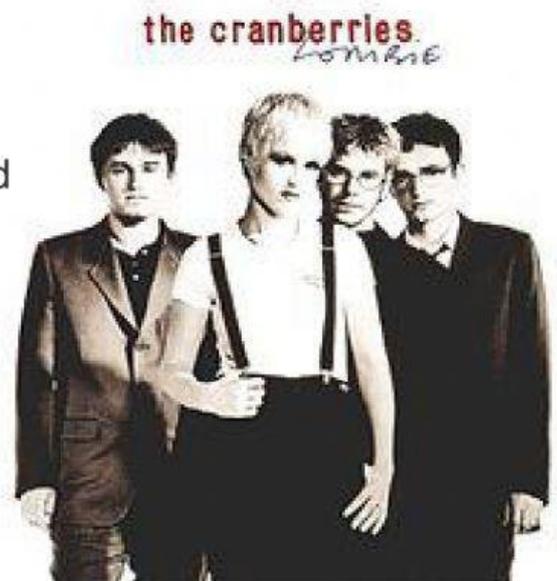

The Cranberries

Another arm / head hangs lowly
Child is slowly taken
And the violence cause of war / silence
Who are we mistaken?

But you know / see, it's not me,
it's not my family / society
In your head, in your head they are sleeping / fighting
With their tanks and their guns / bombs
And their bombs and their guns
In your head, in your head, they are crying / fighting

In your head, in your head / mind,
Zombie, zombie, zombie
Hey, hey, hey
What's in your head, in your mind / head
Zombie, zombie, zombie?
Hey, hey, hey, hey
Oh, do, do, dou, do, do, dou, do, do
Dou, do, do, dou, dou, do, do, dou

Another mother / father 's breakin'
Heart is taking over
When the violence 'causes war / silence
We must be mistaken

It's the same old theme since 1916 / 2016
In your head, in your head they're still sleeping / fighting
With their tanks and their bombs
And their bombs and their tanks / guns
In your head, in your head they are crying / dying

In your head, in your mind / head
Zombie, zombie, zombie
Hey, hey, hey
What's in your head, in your head
Zombie, zombie, zombie?
Hey, hey, hey, hey
Oh, oh, oh oh, oh, oh, oh, hey, oh, yaa, yaa
