

If you were gone

Alexander Rybak

If you were here / gone
the moon would lose its light / brightness
Without your smile
the birds / finch would sing no more
And once in a while / year
some waves would sigh with sadness
Remembering two lovers / people
walking by the shore

If you were gone
the days / nights would all be pointless
And in the summer / night
I'd sing the song so sad / blue
A song about love / spring
and every happy moment
When I had all
the time alone / spent with you

But you're right / now here
and nothing could be better
So take my heart / hand
and stay with me 'till dawn
And while the wind / sun
is playing with your sweater
I can't imagine
life / home if you were gone

But you're right here / now
and nothing could be better
So take my hand
and stay with me 'till night / dawn
And while the wind
is playing with your sweater / hair
I can't imagine
life if you were lost / gone

If you were gone / mine
the world would lose its beauty / meaning
Without your love
how could I smile / love again
And though the light / sun
would always keep on shining
I'd never shine
without my dearest friend / girl

But you're still / right here
and nothing could be better / bad
So take my hand / heart
and stay with me 'till dawn
And while the wind / rain
is playing with your hair / sweater
I can't imagine
life if you were gone...
