

2nd GRADE- CLASS TEST 3- BIG ENGLISH 3- UNIT 3

NAME: SURNAME: COURSE:2nd grade.....

A- READ CAREFULLY.

Hi! My name is Lily. I'm nine years old and I go to Oasis Primary School in California. I wake up very early in the morning every day. Before I get dressed, I brush my teeth and I make my bed. After I make my bed, I get dressed and I sometimes clean my room. My mother usually helps me clean it. Then, I go downstairs and have breakfast with my two big brothers, Jack and Mike. After breakfast, my brothers and I check our list of chores. On Mondays, I have to take out the rubbish and walk the dog in the afternoon. On Tuesdays, my brothers have to feed the fish and do the dishes. I hate doing the dishes! It's so boring!

My brothers sometimes study for their tests on Wednesdays and on Thursdays they practice piano. Lastly, on Fridays at half past seven we all do our homework together. I love my brothers because they help me with my homework.

In my home, we all help and have lots of things to do! How about you?
