

Treat You Better

Shawn Mendes

I won't lie to you

I _____ he's just not right for you

And you _____ tell me if I'm off

But I _____ it on your face

When you say that he's the one that you _____

And you _____ all your time

In this wrong situation

And anytime you want it to stop

I know I _____ treat you better

Than he _____

And any girl like you _____ a gentleman

Tell me why _____ we _____ time?

On all your wasted cryin'

When you should be with me instead

I know I _____ treat you better

Better than he _____

I'll stop time for you

The second you say you'd like me to

I just wanna give you the loving that you _____

Baby, just to _____ with you

Would be everything I need and this could be so different

Tell me what you _____ to do

'Cause I know I can treat you better

Than he can

And any girl like you _____ a gentleman

Tell me why _____ we _____ time?

On all your wasted cryin'

When you should be with me instead

I know I can treat you better

Better than he can

Better than he can

_____ me a sign

_____ my hand, we'll be fine

Promise I won't let you down

Just know that you _____

Have to do this alone

Promise I'll never let you down

'Cause I know I _____ treat you better

Than he _____

And any girl like you _____ a gentleman

Tell me why _____ we _____ time?

On all your wasted cryin'

When you should be with me instead

I know I can treat you better
Better than he can (can, oh)
Better than he can
Better than he can
