

Name: _____

How Do I Grow?

Read about the stages of a frog's life. Cut the pictures and paste them in the correct square.

First, it is an egg.

Then, a tadpole comes out of the egg. I have a tail.

3.

After, two legs grow.

4.

Next, two more legs grow.

5.

Finally, I am a frog with four legs and no tail.

Tadpole with 4 legs

Frog

Tadpole

Eggs

Tadpole with 2 legs

Now try this! The frog begins its life as an Egg. What other animals do you know that come from an EGG?
