

Love you like a love song- Selena Gomez

It's been _____ and _____
Every beautiful thought's been already _____
And I guess right now here's another one
So your melody will play on and on, with the best of 'em
You are _____, like a dream come alive, _____

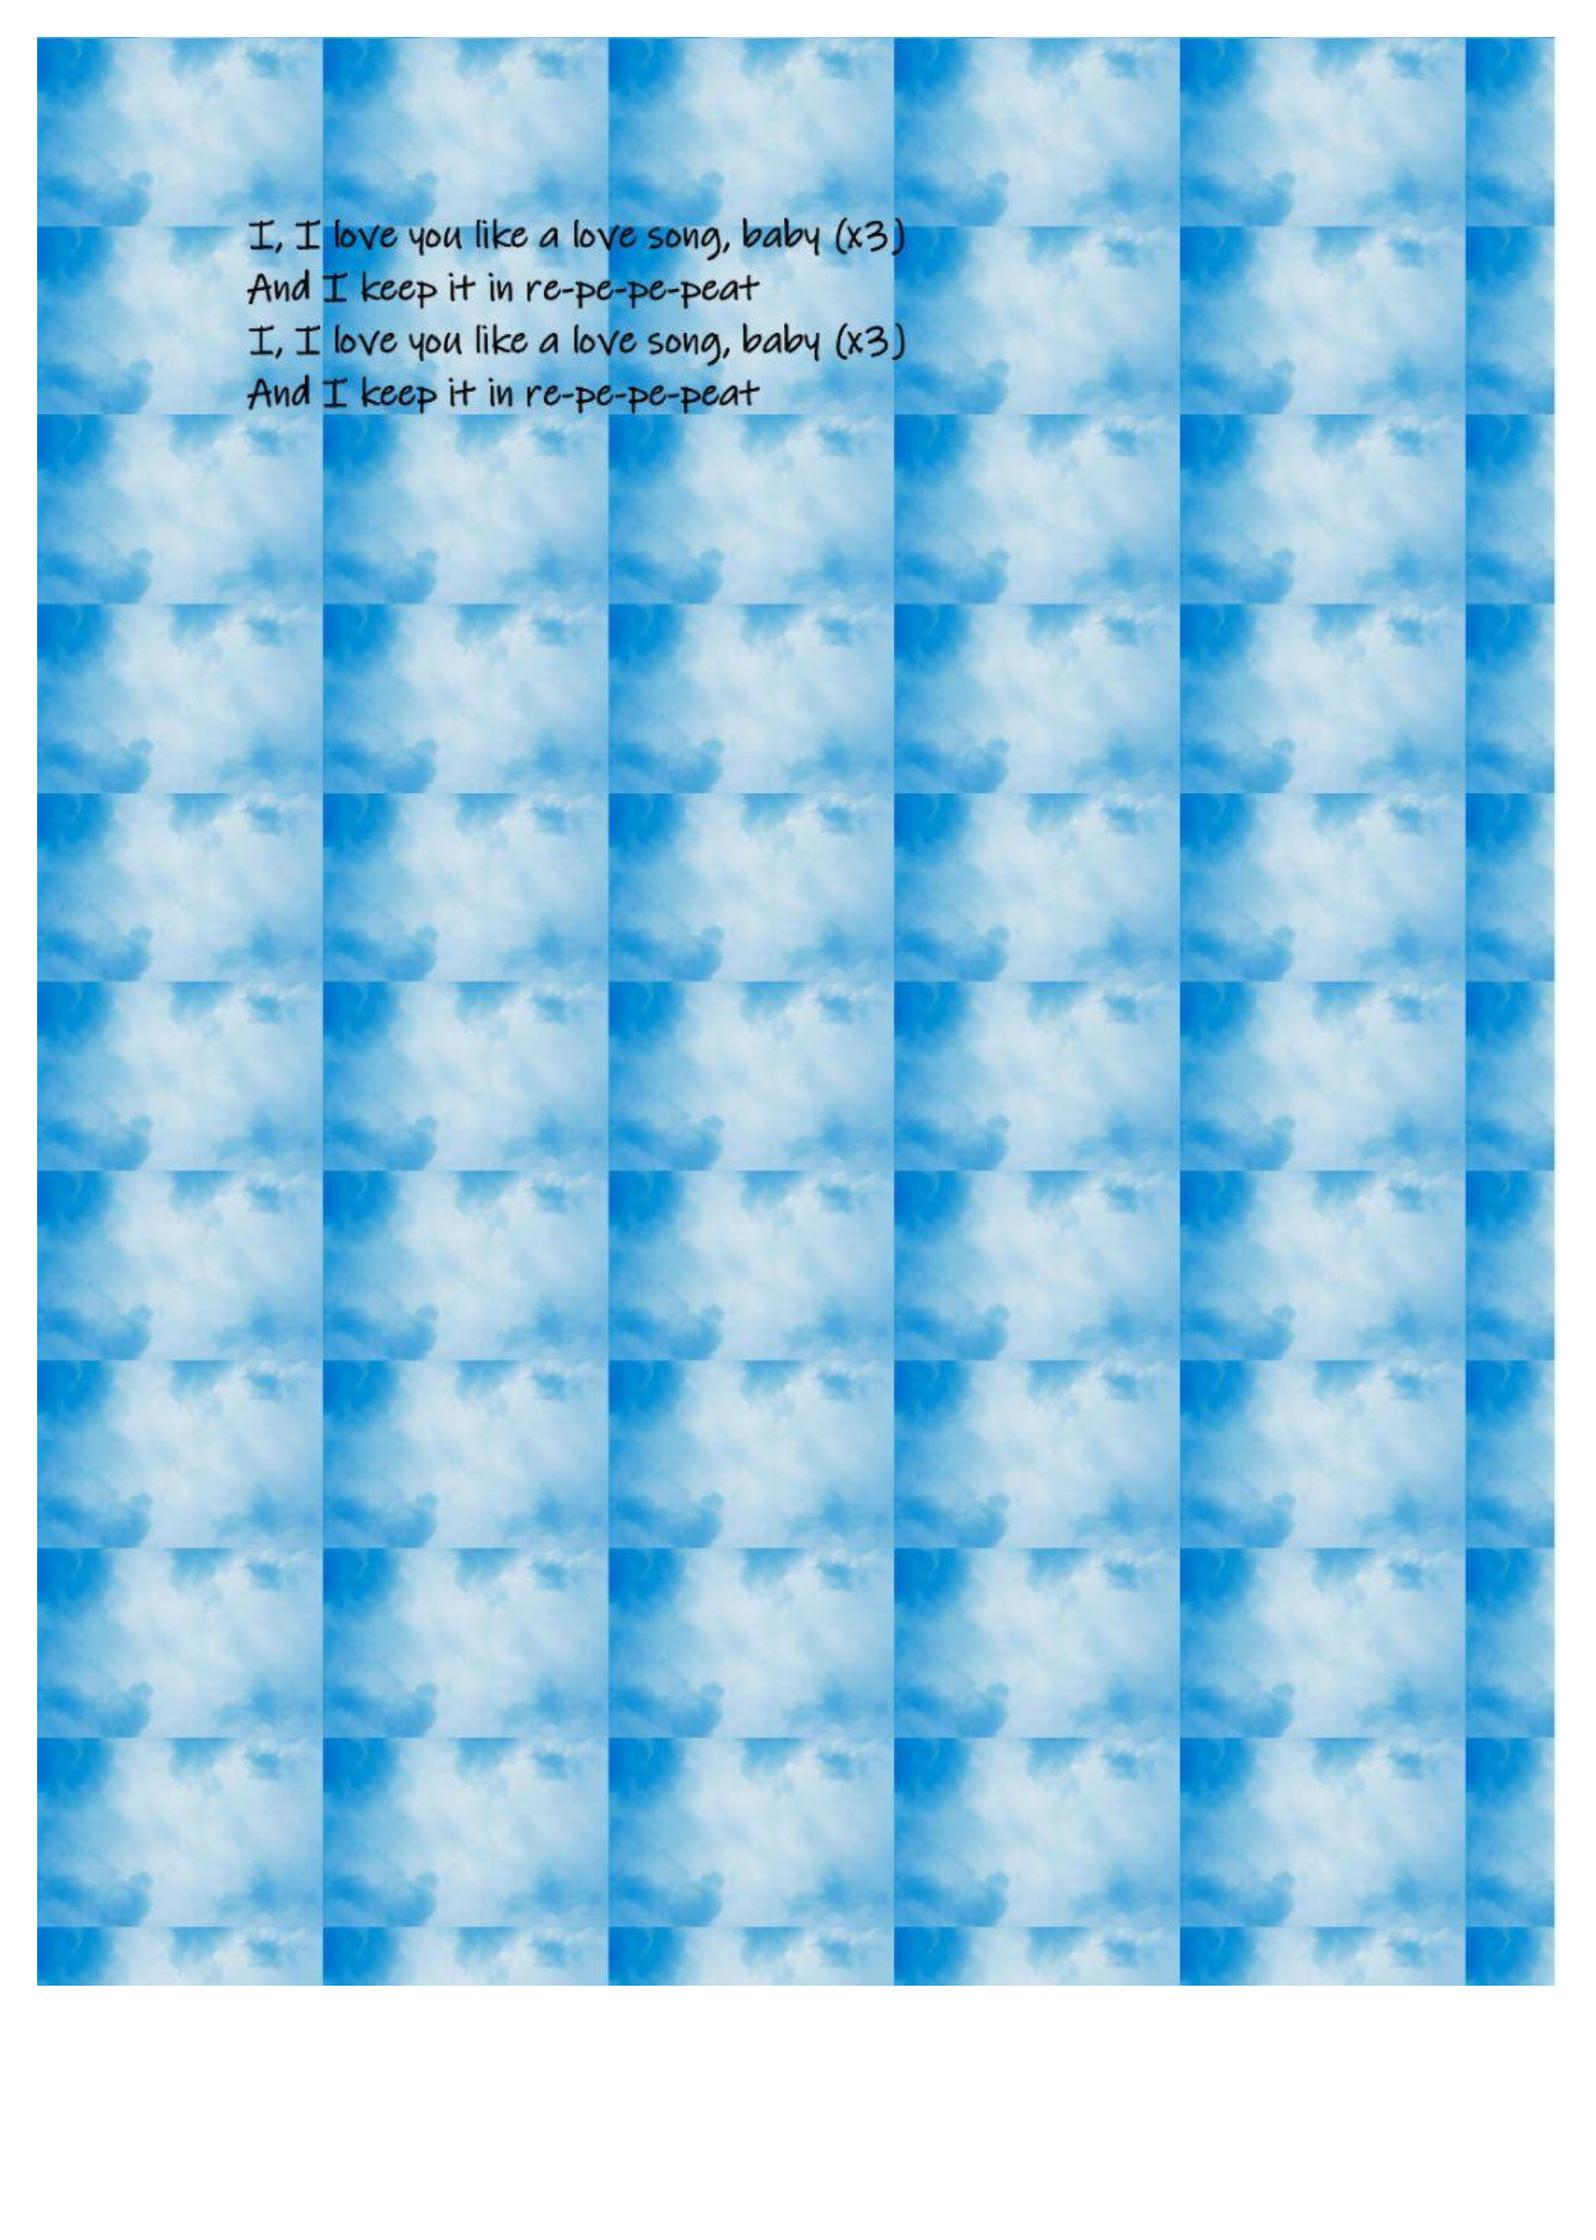

A centerfold, a miracle, lyrical
You've _____ my life again
And I want you to _____ baby

I, I love you like a love song, baby (x3)
And I keep it in re-pe-pe-peat
I, I love you like a love song, baby (x3)
And I keep it in re-pe-pe-peat

Constantly, boy you played through my mind like a _____
There's no way to describe what you _____ to me
You just do to me, what you do
And it feels like I've been rescued
I've been set _____, I am hypnotized by your _____
You are magical, _____, beautiful
You are, and I want you to know baby

I, I love you like a love song, baby (x3)
And I keep it in re-pe-pe-peat
I, I love you like a love song, baby (x3)
And I keep it in re-pe-pe-peat

No one compares
You stand _____, to every record I own
Music to my _____ that's what you are

I, I love you like a love song, baby (x3)
And I keep it in re-pe-pe-pe-peat
I, I love you like a love song, baby (x3)
And I keep it in re-pe-pe-pe-peat
