Talk about exciting experiences

1) Leé el dialogo entre Cristina y su mamá y numerá las imágenes en el mapa en el orden que las menciona.

Mum: Hello, Louise speaking.
Cristina: Hello, mum. It's me, Cristina.
Mum: Hi, darling. How's everything in the US?
Cristina: Really nice, mum. I have really been enjoying myself.
Mum: Wonderful! Tell me, what places have you visited so far?
Cristina: Well, I have been to lots of beautiful and amazing places. On my first two days, we went to Arizona and visited the Grand Canyon. It's awesome, mum!
Mum: really? And where else have you been?
Cristina: Well, I have also visited the Yellowstone Park in Montana. I saw a geyser. It's a real natural wonder.
Mum: Lovely! And, have you already gone to New York?
Cristina: No, I haven't visited New York yet but we are going there next week and we will also be visiting the White House in Washington DC. We have just been to California.
Mum: California? Wow! And, how was it?
Cristina: California is sooooo huge. It's a big state. We stayed in San Francisco for two days and visited the Golden Gate Bridge.
Mum: So, what is the best attraction you have visited so far?
Cristina: well, the casinos in Las Vegas and the amusement parks in Florida. They were both a lot of fun.
Mum: That's good to hear! Listen darling, don't forget to visit your aunty Ann in Boston.
Cristina: Don't worry mum, I will. I will give her your love.
Mum: Yes, please. And take care of yourself! Your dad and I miss you a lot.
Cristina: I miss you too. I'll call you next week, alright?
Mum: Ok, love. Bye now.
Cristina: Bye!
