

WEEKLY PLAN for HS 6

WEEK: 14

UNIT / TOPIC: - Fit for Life

SKILLS

Talking about health and fitness,

STRUCTURE

Unreal Past, Wish/If only, had better, would prefer/ rather

VOCABULARY

Food and health

EXTRA MATERIAL // IN CLASS ACTIVITY

Try this "life expectancy" test in the classroom. All sts may answer their own answers but you may also choose one and let the others ask the questions to the chosen one.

They have to form the questions themselves. Ex: height: (how tall are you?)

Website: life expectancy calculator / how long will I live
