

## Addition and subtraction Problem-solving

Name \_\_\_\_\_

- The latest powtoon video got 25,450,023 views. KSI's latest video got 32,320 more views. How many views did KSI's video get?
- Rahul got 3,624,010 views on his Youtube channel. Ali got 607,599 fewer views. How many views did Ali's video get?
- A chef has a 2.5 litre bottle of olive oil. He uses 432 ml of it. How much does he have left in litres?
- Laura is hiking in District A. She walks 15 km on Saturday and increases that distance by 4.25 km every day for three days. How far did she hike in total?
- Look at the train prices below:

	Daily metro ride	AlNahda	Qusais
Adult	One way ticket	AED 13.25	AED 19.50
	Return ticket	AED 19	AED 21.35
Child	One way ticket	AED 7.15	AED 9.45
	Return ticket	AED 10.95	AED 12.15

- How much would it cost in total for 2 adults and 3 children to get return tickets to Al Nahda?

- How much would it cost in total for the same family to travel one way to Qusais?
