Help! I can't do my maths homework. I left my textbook and my notes at school. Maybe we could do the homework together? It will only take about 20 minutes to do and then we could watch a film if you like. I've got a really good science fiction DVD.

- A Rosie has just finished her maths homework.
- B Rosie wants to watch a DVD instead of doing her maths homework.
- C Rosie wants to do her maths homework with a friend.
