

## Future Perfect: Aftermath-Population Zero

Watch the documentary trailer:

**What would the world look like without us? What *will have happened* when humans have disappeared?**

**Ex:**

After 54 minutes, most machines **will have stopped** running.

A few hours later, the final nuclear power plants \_\_\_\_\_  
\_\_\_\_\_ (go) offline.

Chemical plants \_\_\_\_\_ (catch) fire.

Poisonous gases \_\_\_\_\_ (enter) the atmosphere.

Six hours after we vanish, the dark ages  
\_\_\_\_\_ (return).

After a few days without electricity, the temperature  
\_\_\_\_\_ (rise), and power plants  
\_\_\_\_\_ (explode) with the power of 250 atomic  
bombs.

*Without man to feed them, most cattle \_\_\_\_\_ (die).*

*Other animals \_\_\_\_\_ (free) themselves and begun to fight for survival.*

*The urban jungle \_\_\_\_\_ (become) a new killing ground for predators.*

*Eleven months after we've disappeared, nature \_\_\_\_\_ (make) a comeback.*

*230 years after we've left the earth, our world \_\_\_\_\_ (vanish).*

*Eventually, the earth \_\_\_\_\_ (remove) all the chaos we have created.*
