The diagram illustrates a hierarchical structure with three levels of rectangles. The top level consists of three rectangles. The middle level consists of three rectangles, each positioned below a rectangle from the top level. The bottom level consists of two rectangles, each positioned below a rectangle from the middle level. All rectangles are white with blue borders.

II. DEFINICIÓN DEL TEMA:

5. Define ¿Qué es un antónimo? Selecciona la alternativa correcta.

The diagram consists of two thought bubbles. The left bubble is pink and contains the text: "Son palabras que tienen significado opuesto o contrario." (They are words that have opposite or contrary meaning). To the left of this bubble is a cartoon girl with brown hair, wearing a pink shirt, looking thoughtful with a question mark above her head. The right bubble is green and contains the text: "Son palabras que se escriben diferente y tienen el mismo significado." (They are words that are written differently and have the same meaning). To the right of this bubble is a cartoon boy with brown hair, wearing a green shirt, looking thoughtful with a question mark above his head.
