# Round to Nearest 10 and 100

Rounding to the Nearest 10

How do you round numbers like 23 and 26 to the nearest ten?

- See what two tens a number is between. Both 23 and 26 are between 20 and 30.

- See which ten a number is closer to. If the ones digit is less than 5, round to the lesser ten. If the ones digit is 5 or greater, round to the greater ten.

Rounding to the Nearest 100

How do you round numbers like 431 and 464 to the nearest hundred?

- See what two hundreds a number is between. Both 431 and 464 are between 400 and 500.

- See which hundred a number is closer to. If the tens digit is less than 5, round to the lesser hundred. If it is 5 or greater, round to the greater hundred.
