

Granparents' Farm

Wendy Blake is nine years old and attends a primary school. She lives with her parents and two elder brothers.

In her free time she has lots of things to do. She has piano lessons twice a week and on Tuesdays and Fridays she goes swimming.

At the weekend she usually goes with her family to her grandparents' house. They live in a large farmhouse in the countryside with lovely views. It also has a nice barn for sheltering the horses during the night.

Wendy loves helping her Grandma to feed the ducks, the rabbits, the goats and the little pigs. She also likes picking apples and flowers, collecting the eggs and cleaning the barn. But her favourite thing about the farm is riding Jolly, a friendly horse.

Life in the farm is hard and very busy! But Wendy enjoys the peace and quiet! She often says that she would like to be a farmer in the future!
